

The Challenges of the EU Cosmetic Regulation: Practical Advice for the Industry

11 July 2017 | Manchester, UK

Helping companies maintain compliance when marketing their cosmetic products

Join other cosmetic professionals and experts for the annual conference to discuss the regulatory challenges within the cosmetic industry.

This year's programme offers a varied and interactive range of topics which will help participants understand the Cosmetics Regulatory framework, including:

- Supporting claims for your products
- Ensuring safe use with natural ingredients
- Ensuring your sunscreen product is meeting the regulatory requirements
- Endocrine disrupters and how this will impact on the supply of your products
- Utilising alternatives to animal testing within the EU
- Regulatory changes affecting the cosmetics industry

Delegates will have the opportunity to discuss their regulatory challenges with experts and to connect or reconnect with colleagues and other professionals in the cosmetic industry.
